

Technical datasheet

Description

Article Number

F1500016200

Type description

MPVFH FUSE HOLDER 10X38 1100VDC, 32A

MERZ PHOTOVOLTAIK FUSE HOLDER MPVFH

Fuse Base PV DIN Rail Fuse Holder was made of the flame-retardant shell with VO standard, and the dead-front design made it possible to match the busbar mounting in the Photovoltaic (PV) system

Fuse Holder

Fuse Size	10x38
Rated voltage	1.100VDC
Rated current	32A 3W
Operation Class	gPV
Standard	IEC 60947-3
Terminal cross section	1-16mm ²
Torque terminal screws	2.5Nm

Use min. 75°C wire only

Mechanical Dimensions (mm)
